

Hazardous Dust Protection

Portable Vacuum Power

Order Number	Power
MV-5500.H13	13 HP Honda gas engine
Airflow	300 CFM @ 149" waterlift
Dimensions	25"x59"x72.5" (w/o separator) (64 cm x 150 cm x 184 cm)
HEPA	Primary and secondary filters
Optional	• MV-SC cyclone separator

MV5500™ Performance Benefits:

SMITH MV5500 is a compact, portable, industrial-grade non-clogging, auto filter-cleaning dust collector, with optional MVSA or MVSC cyclone separator with connection bracket. Best for portable concrete and asphalt grinding and cutting machines.

- All-steel construction with industrial powder coat
- No plastic or fiberglass
- 13 HP Honda gas power with electric start (battery supplied by customer)
- Belt-driven centrifugal turbines
- Heavy-duty steel frame with industrial non-marking casters
- 2-stage 7-polyester (non-woven fabric) bags, plus two (2) filter PTFE with manual shake down
- Quick-change collection bag (optional longopac or pail)

- Optional:**
- Cyclone pre-separator, doubles filter life and working performance
