

Scarify / Plane / Shave / Groove / Prep

Self-Propelled Heavy-Duty Gas Powered
Scarifier/Grinder with Depth Control System

Heavy Duty Grinding and Shaving

Order Number	Power
FS351.G.DCS	Kohler 38 HP gasoline engine
Removal Cut Width	≤16" pp (diamond drum)
Weight	695 lbs (315.25 kg) (without drum)
Dimensions	48" L x 26" W x 44" H (122 cm x 66 cm x 112 cm)
Optional	<ul style="list-style-type: none"> Propane Power Electric power Cutter drum assemblies

FS351 Series Performance Benefits:

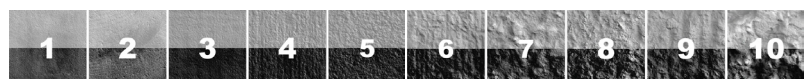

Best for diamond shaving, scarification, surface preparation, and cutting.

- Heavy-duty all-steel frame for strength and work efficiency
- Cut-depth controls to maximize cut performance and life
- Fastest diamond shaving or scarifying removal
- New vacuum pickup design maximizes dust and debris containment
- Low vibration for smooth cutting and bearing service life
- Rapid lifting carriage integrated into depth controls
- Fewer moving parts increases uptime
- Full hydraulic drive (FNR) with variable speed
- Quick-change diamond or cutter drum assemblies
- SMITH Depth-Control System

Options:

- Outboard wheels depth controls for multi-pass removal
- Diamond cutting up to 7/8" cut depths
